## About the Department

The department of Chemistry started in 1956 with the establishment of University College of Engineering, Burla. It is one of the oldest Chemistry Department in the state started under the founder headship of Late Prof. Sripani Pani, Ph.D (London). Luminaries like Prof. R.C. Das, Professor of this department, later served as the Chairman of Pollution Control Board, Odisha and Vice Chancellor of Berhampur University. The department infuses the basic fundamentals of chemistry to the students at B.Tech. level. The department started M.Sc. programme (Industrial Chemistry) from 2010–11, Integrated M.Sc. (Chemistry) programme from 2013–14, and M.Phil. (Chemistry) programme from 2014–15. The syllabus of the postgraduate courses, which includes emerging areas of Chemical Science such as Nanochemistry, Green Chemistry, Supramolecular chemistry, Materials chemistry, designed to cater the Industry and Academia requirements. There are twelve dedicated faculty members (Four professor, two Associate Professor and six Asst. professor) with expertise in their own field. Most of them have post-doctoral research experience in India and abroad. Further, research scholars are enrolled in the department of chemistry leading to Doctoral Degree. Besides, the department is engaged in consultancy works, which involves testing of chemical and engineering materials supplied by many National, State level and local industries. Research projects from different funding agencies such as UGC, DST, CSIT, AICTE, DBT, etc. have been under taken by the faculty members of this department.

## About the University

The Veer Surendra Sai University of Technology, Burla, formerly known as University College of Engineering, was established in 1956. The Institute is well known for its quality teaching, its research potential and faculty eminence and is a premier Government Institute of the state of Odisha. This *Institute has sculptured its own standard amongst the best technical Institutions in the*

*country having more than 20000 graduates and 3000 post-graduate engineers, serving in reputed Organizations around the globe as its alumni. An Internationally acclaimed Technical University to impart futuristic technical education and creation of vibrant research enterprise to create quality engineers and researchers, truly world-class leader and unleash technological innovations to serve the global society and improve the quality of life.*

## About the RAIMS

RAIMS–2018 is the Fourth such event of RAIMS series being organized by chemistry department since 2013 and could attract renowned scientists and academicians during three series. RAIMS aims to bring together academicians, leading engineers, industry researchers and research scholars to share their experiences, expertise and research results about all the aspects of Materials Science and Engineering.

## Venue and Location

*The programme will be held at Department of Chemistry, Veer Surendra Sai University of Technology, Burla.*

## Important Dates

*Last date of abstract submission: 28th February, 2018  
Notification for acceptance of abstracts: 10<sup>th</sup> March, 2018  
Submission of abstract of Poster :12<sup>th</sup> march,2018*

## Registration Fees (INR)
