### Important Note:

According to the norms specified in the publication in [Gazette of India dated 5th March, 2010](#), the appointment of a permanent/regular faculty as Assistant Professor at degree level, requires a minimum qualification of Master's degree in the relevant branch. The applications of the individuals appointed as regular faculty after 2010, without Master's degree, are invalid and will not be considered for admission through QIP in M.Tech. If the state Gazette has implemented the notification at a later date then candidates are requested to state this in application and attach a copy of state Gazette notification. Also, read FAQ's for more details.
