

About the Department

The Department of Computer Science and Engineering, Veer Surendra Sai University of Technology (Formerly University College of Engineering: Burla, Estd-1956), was established in 1994 and at present offers the following four years undergraduate programmes, two years Master Degree programmes and Doctoral Degree. It has produced high quality technocrats for the last few decades to cater to the needs of hardware and software industry, R&D organizations, and academic Institutions. The department has been accredited since 2016 by NBA. The syllabi of the Department are updated with many advanced courses to enable students to keep themselves at par with the cutting edge-technology. The teaching in the department emphasizes on fundamental principles, development of creative thinking and the analytical ability to solve real life problems. The Department also encourages its students to engage in extra-curricular and co-curricular activities, personality development, developing team spirit, and developing organizational skills.

About the Institute

Veer Surendra Sai University of Technology (VSSUT), Burla was formed by Odisha Act 9 of 2009 by converting University College of Engineering (UCE), Burla to a non-affiliating Unitary State University and came into force from 1st day of July 2009. The University has eleven departments covering all the major engineering, science and humanities disciplines, offering B. Tech, B. Arch, M. Tech, M. Sc and Ph. D programmes. It is situated very close to one of the longest earthen dam in the world known as Hirakud Dam. Apart from VSSUT, several renowned educational institutions like Sambalpur University and VIMSAR exist in Burla, small town in the district of Sambalpur. Burla is not only a educational hub but also a industrial township in the western Odisha containing two reputed industries like MCL and HINDALCO. It is well connected by railway network to the rest of India via Sambalpur. The VSSUT campus is about 10 kms from Sambalpur railway station.

**TEQIP –III Sponsored Five Days
Online
Workshop On Cyber Security
(Only for Students)
21th – 25th Dec 2020**

Organized by
Department of Computer Science and Engineering
Veer Surendra Sai University of Technology

Contact
Dr. Manas Ranjan Kabat, HOD, CSE
Dr. Santosh Kumar Majhi, Convener

About the Workshop

Cyber Security touches nearly every part of our daily lives. We rely on vast array of networks to communicate, power our homes, run our economy, and provide government services. However cyber intrusions and attacks have increased dramatically over the last decade, exposing sensitive personal and business information, disrupting critical operations, and imposing high costs on the economy. The nation has a significant shortage of Cyber Security professionals who can understand and effectively thwart the growing threats. As a result, education and training in Cyber Security has become a priority.

The workshop consists of Lectures and hands-on sessions to be delivered by experts from IIT/NIT/Industry.
