

Veer Surendra Sai University of Technology, Burla, Odisha
University Start-up Cell under NPIU TEQIP III Project

No. VSSUT/TEQIP/ 02 / 2018

Dated : 04/01/2018

NOTICE

In line with the mandate of AICTE dated 14th Mach, 2017 which accounts for 'Promotion of entrepreneurial activities' among Engineering students and as per the guidelines of MHRD for TEQIP III Funded institutions, **Start-up cell** has been established at VSSUT Burla following the **National Project Implementation Unit (NPIU)** guidelines to look after the entrepreneurial and startup related activities. This cell will work under existing TEQIP III project of VSSUT Burla.

B.Tech. and M.Tech. students having innovative ideas for future business model can register their names in the Start-up cell of the university. **The ideas will be examined by the panel of faculty members and the selected ideas will be funded by TEQIP III.** The initial financial support will be given to convert the ideas to business models. The existing Idea club, Innovation club, Robotics club and other technical club students also register their names and ideas to work according to the guidelines of TEQIP III to avail financial assistance up to one lakh per idea. TEQIP funded workshops and training programs will also be organized for students depending upon the requirements to increase the Start-up activities.
