

Dear Sir,

Please find the attached letter no 34400 dated 15.12.2018 regarding date extension for 2018-19 Fresh (PG & Tech & Prof only upto 30th December, 2018) to apply and date of validation by Principal & Head of Institution is 31st December, 2018. As per attached validation status report in decreasing order as on 15.12.18 (marked in Yellow), It seems that there is very poor validation on the part of Principals. Please make sure the pending unvalidated applications are to be **disposed of** either by validating the applications or rejecting the same as per eligibility criteria **before 31.12.2018** because this is the **last chance as no more extension** will be allowed for 2018-19 Fresh. Online application is currently closed but will open to apply soon, as we have requested the technical team to make it available online as soon as possible.
