THEME OF THE STAFF DEVELOPMENT PROGRAM

This program helps a person in enriching his knowledge in one's own portfolio management so that he/she extracts maximum benefit within a stipulated time. The course will also deal with office management and personality development.

SIGNIFICANCE OF THE PROGRAM

A portfolio is a grouping of financial assets such as cash, stocks, bonds and commodities as well as their fund counterparts, including mutual, exchange-traded and closed funds. Portfolio management refers to managing an individual's investments in the form of cash, bonds, shares, mutual funds, etc, so that he earns the maximum profit within the stipulated time frame. Portfolio management needs knowledge on accounting and taxation. Every individual is a manager of his own portfolio. This enriches one's personal life, official position, personality, acceptability and popularity. Though there is a knowledge boost and availability of e-resources, still there is a need to sensitise people in the direction of portfolio management. Hence in our day to day life, portfolio management is highly essential.

RESOURCE PERSONS

The resource persons constitute the eminent Chartered Accountants, Auditors, Economists, Tax consultants, Lawyers, Motivational speakers, faculties of IIM Sambalpur, etc.

VENUE:

The workshop will be held in the Seminar Hall of the Department of Civil Engineering, VSSUT; Burla.

ABOUT THE UNIVERSITY

The Veer Surendra Sai University of Technology (VSSUT) Odisha was formed by Orissa Act 9 of 2009 by converting University College of Engineering (UCE), Burla to a non-affiliating Unitary University and came into force from 1st day of July 2009. This University is named after legendary Veer Surendra Sai, the great Indian freedom fighter who was born on 23rd January 1809 and sacrificed his life fighting against the British and died in obscurity in Asirgarh Jail on 28th February 1884. Situated at the foothill of world famous Hirakud dam, the early history of the University is a fascinating chapter in the story of technical education in Odisha.

Established on 12th Aug. 1956, at Burla in the name of University College of Engineering (UCE), the first Engineering College was functioning as a constituent College of Utkal University, Bhubaneswar. The University occupies nearly 300 acres of prime land in Burla, located between 21'30 N 83'52 E 21.5'N 83.87'E. It has an average elevation of 173 metres (567 feet). The town lies at one end of Hirakud Dam which is located around 2 km north-west of the town. Burla is well connected to Bhubaneswar, Jharsuguda, Raipur and Kolkata with roads and railways. VSS Airport, Jharsuguda, about 50 km away from VSSUT Burla, is well connected to various parts of the country.

ABOUT THE DEPARTMENT

The Department of Civil Engineering has been in existence since 1956 and is producing high quality technical manpower needed by industry, R&D organizations, and academic institutions. The departmental activities embrace Planning, Design, Construction and Management. The Department offers B. Tech degree in Civil Engineering and M. Tech. degree in Civil Engineering with five specializations, i.e., Structural Engineering, Geotechnical Engineering, Transportation Engineering, Water Resources Engineering., and Environmental Engineering & Ph.D degree.
