OFFICE ORDER

In view of the upcoming Faculty Development Program on Universal Human Values (UHV-II) scheduled to be held from 9th to 13th December 2025 at Seminar Hall (Room No. D-225) of Production Engineering Department (Room No. D-233), herewith a list of faculty members (Annexure-I) is attached. They will be engaged to participate in the FDP. During the program, participants are encouraged to immerse themselves in the learning experience and to deepen their understanding of these essential values. As such, they will be exempted from their regular academic responsibilities during this period to fully engage themselves in this FDP.

It is believed that the FDP on UHV-II is a significant step towards nurturing a values-driven and compassionate academic community. I hope that this program will contribute to the holistic development of the faculty members, ultimately benefiting the University and Society at large.
