Dated: 01/08/2026

NOTICE

It is hereby informed to all candidates who have been allotted admission in **B.Tech Programme (1st Year)** at **VSSUT, Burla** through **OJEE-2026 Counselling** that, they are required to **submit their willingness for internal sliding** during the online registration process.

During online registration for admission, candidates will be shown an option to select **"YES" or "NO"** for internal sliding. This option is **mandatory**, and once submitted, it **cannot be changed**.

What is Internal Sliding?

Internal Sliding is the process through which a candidate may be **upgraded to a higher preference branch** (as per the choices filled during OJEE counselling), subject to **seat availability** within VSSUT, Burla.

Important Guidelines:

1. If a candidate selects **YES** for internal sliding, they **must accept the newly allotted branch** (if upgraded).
2. **No request will be entertained** for reverting to the original branch after sliding.
3. The **fee structure of the newly allotted branch** will be applicable after internal sliding.
 - o **Example:** If the originally allotted branch is under **Regular** and the new branch after sliding is under **SSC**, then the candidate must pay the additional fee as per **SSC**.
 - o Similarly, if the new branch after sliding is under **Regular** and the original was **SSC**, the excess amount will be refunded.
4. If a candidate selects **NO**, they will continue with the **originally allotted branch**, and **will not be considered** for any internal sliding.

All admitted candidates are advised to **carefully select YES or NO** for internal sliding at the time of **online registration form submission**. This is a **one-time option** and is **binding** once submitted.
