Veer Surendra Sai University of Technology

The Veer Surendra Sai University of Technology (VSSUT) Odisha was formed by Orissa Act 9 of 2009 by converting University College of Engineering (UCE), Burla. The University is empowered to award degrees as specified by the UGC under section 22 of the UGC Act. This legendary University is named after Veer Surendra Sai, sacrificed his life fighting against the British. Veer Surendra Sai is a perfect role model for our professionals in making to dedicate their life to the cause of motherland.

The Department of Civil Engineering has been in existence since 1956 with the inception of VSSUT, BURLA and is producing high quality technical manpower needed by industry, R&D organizations, and academic institutions with a vision to emerge as an internationally acclaimed Civil Engineering Department for imparting futuristic technical education and creation of vibrant research enterprise to create quality civil engineering and researchers, truly world class leaders and unleash technological innovations to serve the global society and improve the quality of life.
