Admission Guidelines

The Online Admission Application System of VSSUT offers a convenient and paperless way for candidates to apply through the University's official admission portal, eliminating the need for physical forms. Applicants should first download and carefully read the Admission Notice, which provides complete details on eligibility criteria, available seats, and the selection process. Eligible candidates can register by entering their basic personal information, including a valid mobile number and email ID, and selecting their preferred course and department. The system will then guide them to securely pay the application fee online through the integrated online payment system.

Important: Candidates must download the Admission Notice and read it carefully before filling the online form.
