Abstract of the poster

Background of Research

Method

Results and Discussions

The poster should be printed in good quality flex/photo print paper/other drawing papers of the mentioned size. If the scholar wants to display any of his achievement/disclosure/finding/other credential, he/she should ask in advance to Dean (PGS&R) for space and table. Choice of colour design including insertion of figures/tables/schemes are up to the requirement of PhD scholars. Any other doubt regarding the presentation and exhibition, scholars are encouraged to discuss with any coordinators (Dr. C R Mohanty, Dr. P. Mohapatra, Dr. M K Sutar, Dr. A K Barik). This is a sample poster which may be little modified according to requirements.
