ABOUT US

Veer Surendra Sai University of Technology, Burla, Odisha formerly known as University College of Engineering was formed by Odisha Act 9, of 2009 by upgrading it to a unitary state university which came into force on July 1st 2009. Being the oldest engineering college of Odisha, it highly maintains it's standard. The university aims at producing engineers with well off and indepth knowledge of thier fields, thus meeting the rapid demand of analytical & practical skills. The department of Electrical Engg. & EEE of VSSUT is one among the 1st branches to be instituted in 1956, the department is AICTE accredited,State of the art infrastructure has been established in order to promote congenial academic enviroment to impart quality education.

Resonance , the annual branch fest of this leading department started on 5th may 2005, thus witnessing its 12th edition this year on 8th of April 2018. With various technical competitions and impressive guest lectures, this fest provide an ideal way of interaction between all the engineers and grooms successful engineers.

8th April - 2018

COORDINATOR
Dr. Ajit Kumar Barisal
(Head of the Department)

ORGANIZED BY

Department Of Electrical Engineering & EEE

VEER SURENDRA SAI UNIVERSITY OF TECHNOLOGY, BURLA, ODISHA, 768018, INDIA

www.vssut.ac.in

OBJECTIVE

Department of Electrical Engineering and EEE is one of the oldest and most reputed departments of VSSUT, Burla . In the course of time the department has proved itself, positively accepting new developments. The department aims at promoting technical & social values among the students and faculties. Resonance, the annual fest of the department truely defines the values the branch aims for.It gives a platform for each and every member to interact, participate and share their ideas.Resonance stands for what it is called amplifying qualities, rectifying mistakes and grounding negativity, to reach the zenith of innovation. We believe,
"By synchronizing our ideas, we can share the load of vulnerability of future"
