OBJECTIVE

The concept of continuous development is the present trends in every field of science and technology to survive and grow in this competitive world. Accordingly, there is continuous development especially in the field of materials and manufacturing to meet the challenges faced by the present industries. Moreover, there is also drastic changes in the field of management since the development of the concept of Total Quality Management (TQM) in 1970 by Japan. Hence, it is very much essential for both the academicians and researchers to be well aware of the latest development in the field of materials, manufacturing technology and modern management. Keeping in view of the above requirements, a two weeks short term course has been planned to organize in the VSSUT campus, where well experienced academicians and industry personals will be invited to share their knowledge and experience in the above fields. The participants will acquire the knowledge especially in the field of composites, nano & smart materials, different non-traditional manufacturing process along with recent management tool for improving productivity.

COURSE CONTENTS

The course content shall be, but not limited to the following:

- ❖ Composites & Nano-materials:- Manufacturing, Characterization & Applications.
- ❖ Important Non-traditional Manufacturing Technologies:- Principle, Parameters & Applications.
- ❖ Recent optimization techniques for process optimization.
- ❖ Recent Management Tools: - Principle, Advantages & Applications.
- ❖ Industry related problems and their solutions.
- ❖ Industry & Laboratory visits.

ABOUT US

Veer Surendra Sai University of Technology (VSSUT), Odisha (formerly known as University College of Engineering (UCE), Burla) was formed by Odisha Act- 9 of 2009 by upgrading to a Unitary State University, which came into force from 1st day of July 2009. VSSUT is located at the foothill of famous Hirakud Dam – longest in Asia. Burla is known as Intellectual Capital of Odisha with VSSUT, VSS Institute of Medical Science and Research, Sambalpur University, MCL, WESCO and IIM, Sambalpur. It is located 12 km away from Sambalpur railway station and 3 km away from Hirakud railway station. VSSUT, Burla has carved a niche for itself among the best technical institutes in India and is a dream institute for many budding engineers. The University offers B. Tech, B. Arch, M. Tech, Dual Degree, M. Sc, Int. M. Sc., MCA and Ph. Ds. The university is surrounded by a large number of Government, public and private industrial sectors such as OHPC, HINDALCO, NALCO, NTPC, OPTCL, Vedanta Aluminum Ltd. and Bhusan Steel Plant. The institute has an excellent placement record with a number of top ranking companies visiting the campus every year.

Department of Mechanical Engineering is the first department of its kind in the state of Odisha and was established in 1956 with a vision to develop new ideas in the field of Mechanical Engineering. This department is accredited by AICTE. During last 5 decades, this branch produced high standard self motivated professionals (around 3500) to serve the humanity both nationally and internationally at par excellence.
