Dated: 04.01.2024

### NOTICE

The University is collecting the semester registration and hall fees through online portal for the convenience of the students. The list of students along with their status (day scholar/boarder) is uploaded by the University based on the available information in concerned office. Any interim change in the status is not permissible in the portal. Thus, the authority is facing difficulty in accommodating the request of the students for an interim change in their status from day scholar to boarder or vice versa with immediate effect. However, the request for change in the status can only be considered after completion of the registration process. So the students are advised to pay the fees as per their status reflected in online portal to complete their registration. The admissible hall fees (mess advance etc.) will be refunded by the Warden of concerned Hall of Residence after due verification and approval of competent authority at the earliest. Further, the additional payment for change of status from day scholar to boarder will also be reflected in online portal for the payment after the due registration date for collection of hall fees smoothly.
