4. SUBMISSION OF BIDS:

Sealing and making of Bids

Bid should be submitted only through REGISTERED POST/ SPEED POST in two Bid system containing two parts as detailed below.

Sealed Cover-A: Technical Bid.

Sealed Cover-B: Price Bid.

Both the sealed envelopes should then be put in one outer cover and each cover should have the following indication:

- i) Reference No of Bid _____
- ii) Due date & time for submission of the Bid _____
- iii) Name of the Firm _____

Note:

A. Bids submitted without following two bid system procedures as mentioned above will be summarily rejected.

B. **Please note that prices should not be indicated in the technical bid.** The Prequalification documents including EMD as required in the Bid document should invariable be accompanied with the technical Bid (Cover A). The outer envelope shall indicate the name and address of the bidders to enable the bid to be returned unopened in case it is declared "late". If the cover contains the outer envelope is not sealed and marked as required. Purchaser will assume no responsibility for the Bids misplacement or premature opening.

The above procedure shall be adopted both for the technical bid and price bid separately. Telex cable, Email or Facsimile Bids submitted by hand will not be entertained.

Deadline for Submission of Bids:

Bids must be received by the purchaser at the address specified not later than the time and date specified in the invitation of bids. In the event of the specified date for the submission of bids being declared a holiday for the purchaser, the bids will be received up to the appointed time on the next working day. The purchaser may, at its discretion, extend this deadline for submission of bids by

amending the bid document, in which case all previous rights and obligations of the purchasers and bidders will remain same till the extended date.

Modification and Withdrawal of Bids:

No modification and withdrawal of Bids is allowed between the interval of time of submission and the last date and time of the bids.

No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the bidders on the bid form.

BID OPENING:

The Purchaser will open all bids, in the presence of bidder's representatives who choose to attend at **4:00PM on dated 19/01/2024 at the office of Registrar, VSSUT, Burla.**

The bidder's representatives who are present shall sign a register evidencing their attendance. In the event of the specified date of bid opening being declared a holiday for the purchaser, the bids shall be opened at the appointed time and location on the next workingday.

The Bidders names, and the presence or absence of the requisite EMD and such other details as the purchaser, at its discretion, may consider appropriate will be announced at the opening. No bid shall be rejected at bid opening, except for late bids, which shall be returned unopened to the bidders.

Acceptance of the Bid:

- Bidders submitting bids would be considered who have consider and accepted all terms and condition no enquire, verbal or written, shall be entertained in respect of acceptance of the rejection of the bid, Genuine equipment and instruments etc. should be supplied. Bidders should indicate the source of supply i.e., name and address of the manufacture from whom the items are to be sourced.
- Supply of equipment means-installation and commissioning (expect Civil works), demonstration as well as Training at side. No separate charges will be paid on this account.

Rejection of the Bid:

- The bid document shall be out-rightly rejected under following stipulation and notcorrespondence will be entertained whatsoever.
- If the bidder has not furnished the required tender paper cost of EMD or EMDexemption certificate from competent authority.
- If the bidder has not submitted the price as per the specified **Annexure-I**.

- Photo copy of the up-to-date valid manufacturing licensed/ import licensed (if it isimported)/ Dealership certificate/ distributed certificate of the product along with tax registration certificate of the manufacture issued from competent authority.
- If the bidder whether manufacture or authorized distributor/dealer have not supplied the required quantity for qualification as per the eligibility criteria and not submitted the performance statement at **Annexure- IV** with supporting documents.
- If the quoted product of the bidders not conform the technical specification with complete accessories for functional equipment/ machinery and standard of workmanship required by the

purchaser.

- If the bidder not furnished technical details of the equipment and machinery with one make and model as per the **Annexure- V**.
- If the bidder will quote the items more than one make/model.
- If the bidder has not submitted the details catalogue, foundation drawing and schedule of supply of items, if required.
- If the bidder has not agreed to give bid validity.
- Furnishing of wrong/ambiguous information in compliance statement may lead to rejection of bid and further blacklisting of the bidder, if prima-facie it appears that the information in the compliance statement was given with a malafide or fraudulent intent.

Purchaser's Right to accept any Bid and to reject any Bid:

The purchaser reserves the right to accept or reject any bid and to annul the bidding process and reject all the bids without assigning any reason thereof any time prior to award of contract, without thereby incurring any liability to the affected bidders or bidder on the grounds of such action of the purchaser. In case of bidder qualifies as per the qualifying the criteria and standards, purchase of May at his discretion relaxes qualification criteria for award of contact.

Evaluation and Comparison of Bids:

The comparison shall be of For Destination Price Basis Including the price of all costs wherever applicable as well as duties and taxes or payable on machineries, instrument and equipment incorporated or to be incorporated in the items including the warrantee/guarantee period from the date of installation.

- The purchaser's evaluation of a bid will take into account, in addition to the bid price and the price of incidental services.
- The purpose of bid evaluation is to determine substantially responsive grid with the lowest evaluated cost, but not necessarily the lowest submitted price, which should be recommended for award.
- Evaluation of bids should be made strictly in terms of provisions in the bid document to ensure compliance with the commercial and Technical accepts.
- The past performance of the supplier will be taken into account while evaluating the bids.
- Cost of the inland transportation, insurance and other cost within the purchaser's country incidental to delivery of the goods to their Final Destination.
- Alternative options of Offer shall not be allowed.
- Each bidder shall submit only one quotation with one make and model.
- The quotation would be evaluated separately for each item.
- Sales tax in connection with sales of goods shall not be taken into account in evaluation.
